

CURRICULUM VITAE

Full name: Hendricus Jacobus (Jacques) Poot

Present position: Professor of Population Economics, University of Waikato, Hamilton, New Zealand

Work address: National Institute of Demographic and Economic Analysis, University of Waikato, Private Bag 3105, Hamilton, New Zealand

Fax: +64-7-8384621; Tel.: +64-7-8384685;

E-mail: jpoot@waikato.ac.nz; Website: www.waikato.ac.nz/nidea

Academic qualifications:

Candidate in Econometrics (US/UK equivalent: BSc), VU University, Amsterdam, 1974

Doctorandus in Econometrics (US/UK equivalent: MSc), VU University, Amsterdam, 1978

Thesis title: Disaggregation of the production factor labour in the production function

Doctor of Philosophy, Victoria University of Wellington, 1984

Thesis title: Models of New Zealand internal migration and residential mobility

Honours, awards and distinctions:

Section Editor "Regional economic growth", *Handbook of Regional Science*, Springer, 2011-2012.

Expert Reviewer, European Research Council, 2010-2013

Visiting Professor of the Royal Netherlands Academy of Arts and Sciences, August 2010 – July 2011

Inaugural Statistics New Zealand Prize for best paper using official statistics presented at the New Zealand Association of Economists Conference in Auckland, 30 June – 2 July 2010 (jointly with co-author Steven Stillman)

External Faculty Member, Graduate School, Purdue University, 2008-2013

Member, Spinoza Prize Selection Commission, The Netherlands, 2008-2010

Member, Jury, European Prize in Regional Science, 2008-2010

Research Fellow, IZA – Institute for the Study of Labor, Bonn, since November 2009

External Research Fellow, Centre for Research and Analysis of Migration (CReAM), University College London, since July 2007

Affiliate, Motu Economic and Public Policy Research Trust, since April 2007

Associate Editor, *Kōtuitui – New Zealand Journal of Social Sciences*, since July 2005

Elected Corresponding Member (Dutch equivalent of Honorary Fellow), Royal Netherlands Academy of Arts and Sciences, since April 2002

Adjunct Spinoza Professor, Department of Spatial Economics, Faculty of Economics and Business Administration, Free University, Amsterdam, since 1998

Member of the Editorial Board, *International Journal of Population Research* (since 2010), *Australian Journal of Labour Economics* (since 2001), *Studies in Regional Science* (since 1997), *Papers in Regional Science* (since 1997), *Australasian Journal of Regional Studies* (since 1995)

Pacific Editor, *Papers in Regional Science*, 1998-2006

Elected Councillor-at-Large, Regional Science Association International, 1997-1999

President, Pacific Regional Science Conference Organisation, 1998-1999

Fellow, Netherlands Institute for Advanced Study in the Humanities and Social Sciences, Wassenaar, November - December 1991

Visiting Fellow, University of Utrecht, May - August 1991

Visiting Fellow, Australian National University, January - April 1991 and November 1984 - January 1985

Trustee of the New Zealand - Netherlands Foundation, 1988 – 2008

Claude McCarthy Fellow, August - October 1987

Professional Associate, Population Programme, East-West Centre, Honolulu, Hawaii, June/July 1986 and 2004

Member of the Population Monitoring Group of the New Zealand Planning Council, 1982-1989

Winner of the 1985 Ph.D. level Dissertation Medal of the Regional Science Association (Australia and New Zealand Section)

Awarded Australian National University Ph.D. Scholarship in 1979 (not taken up)

Previous professional positions held:

1997-03 Associate Professor, School of Economics and Finance, Victoria University of Wellington, New Zealand

1994-97 Foreign Professor, Institute of Policy and Planning Sciences, University of Tsukuba, Japan

1979-94 Junior Lecturer (1979-81), Lecturer (1982-86), Senior Lecturer (1987-92) and Reader (1993-94), Department of Economics, Victoria University of Wellington, New Zealand

1976-78 Research Assistant, Faculty of Economics and Business Administration, Free University, Amsterdam, The Netherlands

Present research/professional speciality:

Economics of population (migration, fertility, labour force, ageing); Meta-analysis; Monopsony in local labour markets; The “New Economic Geography” and implications for New Zealand; Regional development; Globalisation; Empirical evidence for endogenous growth; Transportation and environmental policy; Housing markets; Forecasting.

Teaching:

Courses taught: 100 level: Mathematics and Statistics for Business and Economics; Introductory Economics; 200 level: Intermediate Microeconomics; Intermediate Macroeconomics; Building Economics; Applied Economic Statistics; Business and Economic Forecasting; Introduction to Population Studies; 300 level: Applied Demography; Labour Economics; Regional and Urban Economics; Environmental Economics; 400/500 level: Advanced Econometrics; Advanced Labour Economics.

Thesis supervision, full-year research Masters or PhD (when chief supervisor this has been indicated by #; for current supervision the year in italics indicates expected year of thesis submission):

#1996 Wen-Chuan Chang, MEnvSc, University of Tsukuba, *Environmental Policy and New Investment in the Petrochemical industry in Taiwan.*

#1997 Keiko Hirota, MIntPolEc, University of Tsukuba, *Internalization of the Cost of Water Pollution through the Market Mechanism; the Case of Peru.*

- #2014 Rob Hodgson, PhD, University of Waikato, *Selection Effects and Economic Impacts of Migration on New Zealand*.

Involvement in externally-funded large ($\geq$ NZD 0.1 million) research projects since 2004:

Feb 2004 – Sep 2009, Foundation of Research, Science and Technology: *Enhancing Wellbeing in an Ageing Society*, NZD 4.4 million (researcher, and contract leader 2004-06)

Jul 2004 – Jun 2009, Tertiary Education Commission: *Building Research Capability in the Social Sciences*, NZD 8 million (member, board of managers)

Feb 2005 – Jan 2009, Marsden Fund: *Settlement and Circulation of New Zealanders Living in Australia*, NZD 0.6 million (principal investigator)

Jul 2005 – Dec 2009, Cross-Departmental Research Fund: *Economic Impacts of Immigration*, NZD 1.0 million (convener, panel of international experts)

Jul 2006 – Jun 2011, Foundation of Research, Science and Technology: *Infrastructure*, NZD 1.6 million (sub-contractor to Motu)

Jul 2006 – Sep 2010, Foundation of Research, Science and Technology: *Choosing Regional Futures*, NZD 1.6 million (sub-contractor to Environment Waikato)

Jul 2007 – Sep 2012, Foundation of Research, Science and Technology: *Integration of Immigrants*, NZD 3.1 million (objective leader)

Jul 2007 – Dec 2009, Research and Education Advanced Network New Zealand Capability Building Fund: *Spatially Integrated Poverty Mapping*, NZD 0.2 million (researcher)

Jul 2009 – Jun 2010, Foundation of Research, Science and Technology: *From Planet to Paddocks: an Integrated, Multi-Scale Assessment of Climate Change Influences on Land-Use Trends*, NZD 0.1 million (researcher)

Sep 2009 – Aug 2013, NORFACE: *Migrant Diversity and Regional Disparity in Europe*, EUR 2.4 million (co-principal investigator)

Current and past professional and administrative service:

Member, Research, Evaluation and Monitoring (REM) Governance Group, Department of Labour, 2011 onwards

Co-editor, Special 50th Anniversary Issue, *Studies in Regional Science*, 2012

Member Scientific Committee, European Regional Science Association (ERSA) Conference, Barcelona, 30 August – 2 September.

Programme Committee Member, 2011 MAER-Net Colloquium on International Development, September 17-18, 2011, Wolfson College, Cambridge University

Member, National Advisory Group on the Development and Use of Spatial Planning Tools, 2011 onwards

Member of Scientific Committee, Summer Course of the Regional Science Association, Azores, 13-24 June 2011.

Member of Advisory Group, Academic Workforce Planning – Toward 2020, a collaborative project across the eight universities of New Zealand, September 2009 – December 2010.

Australian Labour Market Research Workshop (ALMRW) Programme Co-ordinator, conference jointly with the 13th New Zealand Labour Employment and Work conference (LEW13), Wellington, December 11-12 2008.

Chairperson, New Zealand Dutch Community Forum “Onze Hoe Wie” (April 2007 – November 2008).

Member, Programme of Social Statistics Advisory Group, Statistics New Zealand (since March 2006).

Reviewer of junior scholar papers submitted for the Epainos Prize at the European Regional Science Association Conference, 2005, 2007 & 2008.

Convener, International Expert Group, Economic Impacts of Immigration Research Programme, Department of Labour (July 2005 – December 2008).

Member, Board of Management, Building Research Capability in the Social Sciences (BRCSS) network funded by TEC (July 2004 – June 2009).

Director, Population Studies Centre, University of Waikato (Feb 2004 – Jan 2007).

Member, Performance Based Research Fund (PBRF) Internal Panel for Business and Economics, Victoria University of Wellington, 2003.

Director, Graduate Programs in Economics and Finance, Victoria University of Wellington (Dec 1999 - Dec 2001).

Member, Faculty Leave Committee, Faculty of Commerce and Administration, Victoria University of Wellington (Sep 1999 - Dec 2001).

Chair, Organising Committee, International Symposium “Off the Map in the Global Economy?”, 20-21 November 2001 in Wellington.

Member, Faculty Research Committee, Faculty of Commerce and Administration, Victoria University of Wellington (Sep 1999 – Mar 2001).

Convener, Research in Economics and Finance Workshops at Victoria University of Wellington (Apr 1997 - Dec 1999).

Vice-chair, Local Organising Committee, 15th PRSCO Congress, December 8-12, 1997 in Wellington.

Australia and New Zealand Regional Science Association International (ANZRSAI) representative on the Council of the Pacific Regional Science Conference Organisation (PRSCO), 1997-2010.

Co-ordinator of a first-year course in Quantitative Analysis: Mathematics at Victoria University (300-550 students) (1985-1988, 1997).

Vice-President, Regional Science Association, Australia and New Zealand Section (1993-1994).

Manager, Economic Research Unit at Victoria University (1992-1994).

Member of the Institute of Statistics and Operations Research (ISOR) at Victoria University (1979-1994) and Convener of Wider ISOR (1992-1994).

Member of the Building Economics Board of Studies, Victoria University (1988-1993).

Chairperson of the Econometrics Group, Victoria University (1988-1990).

Editor of *Victoria Economic Commentaries* (1988-1990).

Treasurer of the New Zealand Demographic Society (1980-1983).

External examiner of graduate theses in Australia, New Zealand and The Netherlands.

Referee of project proposals for the New Zealand Foundation for Research, Science & Technology (FRST), Royal Society of New Zealand (Marsden Fund), Netherlands Organisation for Scientific Research (NWO) and European Research Council. Referee of reports commissioned by, e.g., the Royal Commission on Social Policy, the Business Roundtable, the Ministry of Women's Affairs, the Ministry of Education, the Department of Labour, the Treasury, the Ministry of Social Policy and the Ministry of Housing.

Consultancy clients: Building Research Association of New Zealand, Business and Economic Research Ltd, Counties-Manukau District Health Board, Davis Langdon & Everest (UK), Department of Labour, Environment Waikato, Hamilton City Council, Life Offices Association, Ministry of Foreign Affairs and Trade, New Zealand Agency for International Development, New Zealand Immigration Service, New Zealand Institute of Economic Research, Radio New Zealand; Thames-Coromandel District Health Board; Trade Development Board, Victoria University of Wellington Foundation, Wellington Regional Council.

Has acted as referee for the following journals:

American Economic Review
Annals of Regional Science
Asia Pacific Viewpoint
Asian and Pacific Migration Journal
Australian Economic Papers
Australasian Journal of Regional Studies
British Journal of Sociology
Construction Management and Economics
Ecological Economics
Economic Analysis and Policy
Entrepreneurship and Regional Development
Environmental Modeling & Assessment
Environment and Planning A
European Economic Review
